

Vinton's Liberty Loan Boat Will Have Girl Sponsor

MARGARET FISCHER

NOT a very big girl, Margaret. And when she stands up alongside of a great ocean boat she will not look any bigger. But she is going to christen a boat just the same. Vinton County, Ohio, has chosen her—Margaret Fischer of Zaleski, Ohio—to be sponsor for the boat which that county won the right to name. Vinton County won the distinction in the last Liberty Loan campaign when it was the first county in the Cincinnati area to attain its quota in Liberty Bond sales. The county's quota was \$129,500, and it had subscribed that amount at the end of the first day of the drive. Its final subscriptions totaled \$158,850. The boat is being built in one of the big government ship yards and probably will be ready for the launching in Spring.

UNCLE SAM HAS BIG APPETITE NOW FOR SAFE INVESTMENTS

BETWEEN TWENTY AND TWENTY-FIVE MILLION BOND BUYERS TAKE ELEVEN BILLION IN YEAR.

Pessimists who shake their heads and join the chorus of "I dunno" boys at the prospect of floating a Fifth Liberty Loan in April are given food for thought in some figures which have recently been compiled by officials of the Treasury Department at Washington.

The figures give us some idea of just how big an appetite for safe investment this country has attained in its war-year.

Some of the more striking of the figures referred to follow:

A bond market which had less than 300,000 customers two years ago had at the close of 1918 between 20,000,000 and 25,000,000 buyers.

The army of buyers absorbed \$11,163,565,850 worth of bonds in Liberty Bonds alone in 1918. In the two years of the war—counting the first and second Liberty Loans which were floated in 1917—these bond buyers digested a total of \$16,974,329,350 Liberty Bonds.

A further development which has the optimistic turn is the market which bond dealers find right now for every sort of bonds—municipal, school, industrial, etc. Bond dealers are selling out all legitimate offerings with such celerity that they are continually seeking about the country for new issues to market.

This healthy condition of the bond market is explained, perhaps, by the fact that the entire indebtedness of the United States today amounts to slightly less than 7 per cent of the estimated national wealth. The national debt amounts to only about \$170 per capita.

Some of the national debts are: Great Britain, 44.3 per cent of national wealth or \$360 per capita; France, 41.25 per cent of national wealth or \$296.90 per capita; Austria, \$4.66 per cent of national wealth or \$242.90 per capita; and Germany, 33.7 per cent of national wealth or \$305.90 per capita. These figures on Germany are exclusive of the ninth war loan, accurate returns of which never were had, and in the cases of both Austria and Germany no account is taken of any indemnities which those nations may have to pay.

Japan is the only big nation which has a lower per capita debt in relation to its wealth than the United States.

A PLEASANT AFTERNOON

One afternoon last week, Mrs. Ben E. Parker was the very pleasantly surprised hostess of a neighborhood party.

Without preparing her for their coming the elderly ladies in the immediate vicinity called and in a few moments the younger women followed. According to arrangements the guests arrived before those bearing gifts who followed unannounced.

First came Mother Steele, bringing a beautiful cut-glass pitcher of delicious grape juice; then Mrs. Archer, holding aloft a lovely whipped cream cake. Next was Mrs. W. H. Detherage with a steaming pot of chocolate, and Mrs. A. G. Clark and Miss Nannie Anderson followed her with a huge tray of all sorts of delightful fruits, furnished by Mrs. H. B. Clark.

Lightheartedly protesting against Mrs. Parker's assistance, these kind friends served their surprised hostess and the gathering of happy women, and the afternoon sped away in a glow of joy and brightness.

Mrs. J. E. Archer was the speaker of the happy occasion, and Mrs. Parker replied to the toasts with a few well chosen grateful words of appreciation for their thoughtfulness of her, and presented each guest with a souvenir.

Those present were Mrs. B. C. Steele, Mrs. M. G. Hignite, Mrs. S. D. Wyatt, Mrs. H. B. Clark, Mrs. W. H. Detherage, Mrs. J. E. Archer, Mrs. J. W. Croley, Mrs. A. G. Clark, and Misses Nannie Anderson, Anna Stewart Archer and Marie Clark Croley.

WOMEN'S STUDY CLUB

Mrs. C. P. Kennedy was hostess to the Women's Study Club on Tuesday afternoon, January 21st. Eighteen members responded to roll call.

On motion of Mrs. Tye the club voted to accept and endorse the resolutions passed by the National Committee on the protection of Women under International Law, in response to a plea sent out by the National Council of French Women in behalf of the women and girls of that land who have been dishonored by German beasts, asking that these women be acclaimed as bearing honorable wounds which none may dispute or undervalue. American womanhood lifts its voice and demands that at the Peace Table justice shall be done to those whose wounds may not be healed.

On motion of Mrs. Rathfon the club voted that the President appoint a committee to confer with Mr. McDermott, County Chairman of the National Defense, to arrange a Memorial Service in honor of the late Ex-President Roosevelt February 9th at the same time Congress holds service. The committee appointed was composed of Mrs. Tye, Mrs. Kennedy and Mrs. Mitchell.

The program for the afternoon was very interesting and splendidly given. Mrs. James Golden was chairman for the day.

The League of Nations—Shall America go in?—Mrs. Heidrick.

Russia's Struggle Against Chaos—Mrs. McDermott.

Mrs. Martha Potter, of Bowling Green, and Miss Dora Sonnelly, of the University of Cincinnati, were guests of the club, having been sent out by the Federation of Women's Clubs to lecture on and demonstrate food values. This is the first of six lectures and demonstrations. The second lecture and demonstration will be given at the club's meeting the last of February. The Members of the Civic League are most cordially invited to attend these lectures and demonstrations.

After adjournment, the hostess served a delicious salad course.

The Secret of Their Beauty

It is health, robust health, that is responsible for the Kentucky girl's good looks. If she gets sick, she proceeds to get well. Possessed of health, she knows that personal charm and attractiveness need not worry. They are hers. That is the secret.

The story of Mrs. Hattie Hamilton, 517 Myrtle Avenue, Latonia, Kentucky, is typical. She says: "I have never in all my life, until recently, weighed over 100 pounds. Finally, I began to take Peruna. My weight now is 120. While I didn't really need it, I have started on the third bottle. Peruna has certainly done me a great deal of good and I recommend it to my friends. Several are taking it." It is surprising the amount of dependence placed by women everywhere upon Dr. Hartman's World Famous Peruna. For forty-five years it has been a household remedy for coughs, colds, catarrh and all catarrhal inflammation whether of the respiratory system, stomach or other organ or part of the body. The record of Peruna for nearly a half century is a startling one. Thousands have discovered and testified to its marvelous merit. Peruna is sold everywhere. May be purchased in either liquid or tablet form. Your dealer has it. Ask for Dr. Hartman's well-known Peruna Tonic. Do not accept a substitute or "something just as good," imitating upon Peruna. If you are sick and suffering from any cause whatever, write The Runa Company, Dept. 76, Columbus, Ohio, for Dr. Hartman's Peruna Book. The book is free and help you. Ask your dealer for Peruna Almanac.
